Topic Aliases

Topic aliases are used to capture common misspellings, alternative names and common abbreviations for the relevant topic.

Merge Topics

If two topics should actually be the same, you can merge them here. All questions and editors grouped under this topic will be transferred to the other topic.

Locked topics may not be merged into other topics.

The following topics are currently merged into this topic:

- **Deutschland** is merged into **Germany** (Unmerge).
- **Gemany** is merged into **Germany** (Unmerge).
- **Germay** is merged into **Germany** (Unmerge).
