Europeana Rights

## URI

<http://www.europeana.eu/schemas/ese/rights>

## Definition

Information about copyright of the digital object that is specified in isShownBy and isShownAt and, by extension, to the preview images used in the portal.

## Europeana Hinweis

The value in this element is a URI taken from the set of those defined for use in Europeana. A list can be found at <http://pro.europeana.eu/available-rights-statements>. The URIs consist of a code indicating the copyright status of an object attached to the domain name where that status is defined. The domain will be either the europeana.eu domain or the creativecommons.org domain. The rights statement will be represented as a badge below the preview on the object page.

## Verpflichtungsgrad und Wiederholbarkeit

Verpflichtend und nicht wiederholbar, 1
